Highlights

Natural white light

The natural white light with an output of 200 lumen blends perfectly into your interior thanks to the diffused light effect.

Ultimate flexibility

Thanks to the flexibility of the LightStrip Curve, it's easy to subtly install the product anywhere and on any piece of furniture. By using the included connecting accessories, you can even make various criss-crosses, curves and angles.

Easy to connect

This LightStrip Curve comes in a set of 5 separate strips with a total length of 1.6 metres. The strips are easy to connect thanks to the integrated pin contacts.

Easy to install

Paste the LightStrip Curve wherever you like thanks to the integrated adhesive strip on the back.

Easy-to-use light switch

Simply turn on and off the LightStrip by using the on/off switch.

Safe LED technology

The LED light strip is safe to touch and use without the risk of electric shock.
